The fight against polio

India has been making great strides toward polio eradication in 2015, with only one case of the virus reported from January through early December. Rotarians helped administer bivalent oral polio vaccine to more than 35 million children in the country during a Subnational Immunization Day on 13 November.

On 20 November, a team of Rotarians from District 3700 (Korea) served in a health camp in Meerut, Uttar Pradesh, where children were immunized against the disease. The camp was organized by Indian Rotarians in cooperation with local health officials and **UNICEF**.

Weekly Program - Adult Literacy with Rotarian Emma Frost

By Tom Cruise on Wednesday, January 9, 2019

To kick off our September weekly meeting programs, plan to join us this week on Adult Literacy with Emma Frost. Rotarian Emma Frost is a member of the Gotham City Rotary club and Director of Educational Programming at Gotham City University.
